Reminders

- A COVID-19 test is required for you to be able to have your planned surgery, procedure or test.
- Please bring a photo ID with you to the testing site.
- We ask that you do not bring any visitors with you into the testing site unless you need assistance.
- You will be screened at the front door and will be directed to another area of the clinic for testing.
- All patients must wear a mask. If you arrive without a mask, we will provide one for you.
- The caregiver doing the test will wear a clean set of gloves and some protective gear to stay safe while doing the test.

If you have any questions, please contact your provider or clinic.
