

# NSG Mouse Order Request

After you fill out this order request, we will contact you to go over details and availability before the order is completed. If you would like to directly contact us please call Bin Hu at 804-628-5040 or [masseymouse@vcu.edu](mailto:masseymouse@vcu.edu)

Please remember it takes 21 days gestation and at least 28 more days before we can wean the mice. Thus, in most cases, we need at least 7 weeks in advance to provide 4 week old mice and longer if you would like older mice. If you order mice and then decide you no longer want these mice you will still be charged for 75% of the cost unless you can find another investigator to take the mice. We have put this requirement in place, in order to be good stewards for the core facility and for the ethical consideration of breeding mice we do not need.

If you want to know more about the NSG mice please see <https://www.jax.org/strain/005557> We purchased our breeding pairs from Jackson laboratory.

\* Required

**Are you a new or existing customer?**

- I am a new customer
- I am an existing customer

**Charge Code and PI name\***

---

**IACUC Protocol # \***

---

**Animal housing location will be transferred to \***

**Building:** \_\_\_\_\_ **Room:** \_\_\_\_\_

**How many NSG mice would you like to order? \***

---

**What age would you like the mice? (they cannot be younger than 4 weeks) \***

Prices have been adjusted starting from April 1st 2019

- 4 weeks (\$33/female and \$20/male)
- 5 weeks (\$33/female and \$20/male)
- 6 weeks (\$33/female and \$20/male)
- 7 weeks (\$35/female and \$22/male)
- 8 weeks (\$37/female and \$24/male)
- 9 weeks (\$39/female and \$26/male)
- 10 weeks (\$41/female and \$28/male)
- 11 weeks (\$43/female and \$30/male)
- 12 weeks (\$45/female and \$32/male)
- Other \_\_\_\_\_
